## **1.2 Our Vision**

We, the faculty of Muscle Shoals High School, envision the active participation of each student in the teaching-learning process. As we embark on a new school year, we see the following in the futures of the children who are part of us:

- Each child will be challenged and equipped to build (grow) a better community, state, nation, and world.
- Through the efforts of our faculty and staff together with the cooperation of our parents and students, each individual in the school setting will be challenged both to positively change his or her life and to positively influence the lives of those around him or her.
- Each student will come to appreciate the things that are in nature, technology, and the arts. He or she will view the harmony of them all as having a profound and positive influence upon each of us and our posterity.
- We envision each student as an active, lifelong learner who is never pleased with the status quo. Instead, he or she is always striving toward improvement, realizing that excellence is not a goal to be attained, but it is a pathway to follow.
- As each student completes his or her program of studies, we envision each one having a diversity of opportunities and choices. Thus, the direction that has been given in our school provides a solid framework upon which each student can continue to build and thrive throughout his or her adult life.

## **1.3 Mission**

- The mission statement of the Muscle Shoals City School district is "To provide innovative opportunities for all students to obtain wisdom, to build character, and to achieve their greatest potential."

Muscle Shoals High School seeks to accomplish the district mission by...  
...fostering a positive, family-oriented, collaborative learning environment.  
...teaching the values of honesty, ethics, and hard work as keys to success.  
...promoting critical thinking, innovation, and real-world application.  
...striving toward high, rigorous expectations for enhanced performance.  
...a commitment to college and career readiness for every child.

We embrace the state motto of "Every Child a Graduate, Every Graduate Prepared"

## **1.4 Faculty and Staff Beliefs**

- Students' learning is the chief priority at the school, and their learning needs should be the primary focus of all decisions impacting the work of the school.
- Students need to apply their learning in meaningful contexts.
- Students learn best when they are actively engaged in the learning process, given challenging expectations, and provided with a variety of instructional approaches.
- Teachers, administrators, parents, and the community share a responsibility for advancing the school's mission and a commitment to continuous improvement.
- Each student is a valued individual with unique physical, social, emotional, and intellectual needs.
- A student's self-esteem is enhanced by positive relationships and mutual respect between students and staff.
- Students need to not only demonstrate their understanding of essential knowledge and skills but also need to be actively involved in solving problems and producing quality work.
- Clear goals and high expectations for student assessment guide the development of curriculum.

### 1.5 ALMA MATER

*All praise to Thee our Alma Mater, Mighty Trojans we,  
May greater glory, love unending, Thine forever be.  
Our worth in life, will be Thy worth, We pray to keep it true,  
And may Thy spirit live forever, In our hearts for you.*

Composed in 1972 by Charles R. Stratford

### 1.7 Coat of Arms

Colors: scarlet, white, and black

Shield: Circular in shape, surmounted on crossed spears and supported by mantling. In the left half of the shield is a torch surmounted by a scroll inscribed with a letter "M." Below the scroll and torch is the date, 1962, all on a white field. In the upper right quarter of the shield is a winged foot proper on a scarlet field. In the lower right quarter is a white lyre surmounted by a scarlet feather all on a black field. Below the shield is a ribbon inscribed with Muscle Shoals. The crest above the shield is a Trojan Head. The torch symbolizes achievement. The scroll symbolizes scholarship, with the "M" denoting the school; 1962 is the founding date. The winged foot symbolizes athletics. The lyre and quill symbolize extracurricular activities and the arts. The Trojan and spears symbolize the school mascot and school spirit.

### 1.8 Child Find

The Muscle Shoals City School System serves children within our jurisdiction who need special education and related services to benefit from their education. Please contact the Student Services Office at the Muscle Shoals Board of Education (256-389-2675) if your child has a disability and is in need of these services. The Muscle Shoals City Schools will provide an interpreter to communicate with non-English speaking parents and students eligible for I.D.E.A. services.

# 2.0 Academics

## 2.1 Advanced Placement (AP)/Weighted Classes

Students in the following classes will receive the opportunity for extra points and a weighted GPA:

AP English Language	AP English Literature	Physics
AP U.S. History	AP Government	
AP Chemistry	AP Biology	
AP Calculus	AP Computer Science Principles	

In selected classes, students will have the opportunity to earn a maximum of five extra points on the final grade by meeting established class standards. College Board approved Advanced Placement courses taken via non-traditional methods (e.g. virtual learning) are also eligible for the five extra points provided that the student meets established class standards. If the non-traditional teacher does not establish class standards for earning the five extra points, the following standard will be used: loss of one (1) point for one late/missed assignment; loss of two (2) points for two late/missed assignments; loss of all extra points for three late/missed assignments. The maximum numerical grade to be earned in any class is 100. In the same selected classes, an additional point will be added on the 4.00 scale to determine GPA.

## 2.2 Student Assessment

### **Grading Scale:**

90 – 100	A	Masters content on an advanced level. Work exceeds expectations
80 - 89	B	Masters content on a proficient level.
70 - 79	C	Masters content on a basic level. Work meets minimum standards.
60 - 69	D	Passing, but fails to meet minimum standards for objectives.
Below 60	F	Failing, does not meet the minimum standards

An incomplete may be given if in the judgment of the instructor, the reason for incomplete work warrants an extension of time. Any incomplete must be removed before the close of the next 9-week grading period or the grade becomes an "F." The final average will be calculated by tripling each 9-week average, adding the exam grade, and dividing by seven. If a student fails to obtain a passing grade for a class, he or she may have the option to recover credit during the subsequent school term. This option will be available to students meeting criteria as determined by the Credit Recovery Team.

The faculty of Muscle Shoals High School is committed to meeting the needs of general education at-risk students. The Muscle Shoals High School PST (Problem Solving Team) is a designated school-based committee. This committee prescribes interventions to assist these at-risk students. ***A credit recovery program is available to allow students who have been unsuccessful in mastering particular content or skills the opportunity to "recover credit" as an alternative to repeating the entire course. Credit recovery is based on deficiencies only, which allows for a more expedient recovery from the failing grade. With credit recovery, certain restrictions apply.***

Students who work as a volunteer in the offices for the Muscle Shoals City School System will receive one elective credit for diploma requirements. A grade will not be given for the credit. The counselor will note a P (Pass) or F (Fail) on the final transcript. If the student is to receive an "F," the student and parent will be notified when such a decision is made by the administration.

This elective credit is not included for ranking in the class or GPA calculations. Rank in class is determined by taking the numerical final average for each unit attempted and dividing by the number of units attempted. The GPA is determined by awarding points for each final average letter grade. Total points are then divided by the number of class credits attempted by the student. Points are

A = 4 points, B = 3 points, C = 2 points, D = 1 point and F = 0 points.

### **2.3 Bell Schedule**

Zero Period	7:10 - 8:00 a.m. (if applicable)
Warning Bell	8:02 a.m.
1st Block	8:07 - 9:44 a.m.
2nd Block	9:50 -11:26 a.m.
3rd Block	11:32 -1:32 p.m.
4th Block	1:38 - 3:15 p.m.

\*The school accepts responsibility for students only during the official school hours. The school building will be open for a maximum of thirty minutes before and after the official school hours.

### **2.4 Cheating/Plagiarism**

Students who engage in acts of cheating, forgery, plagiarism and/or other forms of dishonesty that involve any aspect of school, school records, or school assignments will be disciplined. When a student is found to be cheating on school-related work or a test, the following will result:

#### **First Incident-**

The student will receive a zero on the work/test and be referred to the office. Any student who is a member of the National Honor Society may be removed from membership in the society if he or she is found to be guilty of cheating on school-related work or a test.

#### **Successive Incidents**

If a student is found to be guilty of cheating more than once in any class, the student will receive a zero on the work/test and he or she will be assigned to In-School Suspension. Additional instances of cheating will mean more severe punishment-a zero on the work/test and assignment to Out-of-School Suspension.

\*After any incident of a student cheating, the teacher will notify the student's parent or guardian about the incident and the consequences. Nominations to and membership in the National Honor Society may be affected by incidences of cheating.

### **2.5 Correspondence Courses**

A correspondence course credit may be permitted for transfer students not previously on an eight credit per year calendar. The counselor and the principal must approve this option.

### **2.6 Diploma Information**

Diplomas will be ordered in January of the student's senior year. Failure to meet the standards of the diploma type ordered will result in a temporary diploma being presented at graduation exercises. The correct diploma will then be ordered after graduation.

## **2.7 Dual Enrollment/Dual Credit**

Certain students may dually enroll in post-secondary institutions to earn college credit.

The programs are open to all students meeting the following local requirements:

1. A student who has successfully completed the 10<sup>th</sup> grade;
2. An “85” average and satisfactory attendance in completed high school courses;
3. Written approval and completed paperwork from the high school for the college class;
4. If scheduling conflicts occur, the high school schedule will take priority.

Classes taken as a part of Early College must be scheduled with the guidance office. These classes will not be noted on the high school transcript and will not be included in the student's GPA or class ranking. Students will be responsible for all costs and fees incurred through the Early College program. If a student needs to withdraw from the college class at any time, the student must notify the guidance office. The student will be reassigned to an elective class at the high school.

These classes will begin the student's college transcript. When applying for college admission, the official transcript from the college must be sent to any other college to which the student is applying for admission.

Elective classes taken under the dual credit program must be scheduled with the guidance counselor, student and parent. These classes must be approved by the Guidance Committee at Muscle Shoals High School. Six semester hours in the same or related subjects at the post-secondary level shall equal one elective credit at the high school. The student must have a final transcript sent at the end of each semester for credit to be awarded at the high school. The official transcript from the college will also be required at any other college in which the student is applying for admission. The letter grade received will be included in the student's high school GPA, but cannot be used in the numerical ranking of the class. If the student withdraws from the college class at any time, the student must notify the guidance office. Under the dual credit program, dropping the dual credit college course may alter the date of graduation from high school.

Students with an average below 80 OR with more than four absences will be required to take the final exam for that class.

Students may NOT be exempt from taking 9 weeks tests.

## **2.10 Gifted Students\***

Gifted students are those who perform at or who have demonstrated the potential to perform at high levels in academic or creative fields when compared to others of their age, experience, or environment. These students require services not ordinarily provided by the regular school program. Students possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor.

Teachers, counselors, administrators, parents, or guardians, peers, self, or any other individuals with knowledge of the student's abilities may refer a student. Additionally, all second grade students will be observed as potential gifted referrals using a gifted behavior checklist.

For each student referred, information is gathered in the areas of Aptitude, Characteristics, and Performance. The information is entered on a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for gifted services. To make a referral, contact the Supervisor of Student Services at the Muscle Shoals Board of Education or the Gifted Education Specialist at McBride Elementary School.

## **2.11 Graduation Requirements**

The counselors work with each student each year in planning classes and checking credits. At the beginning of the senior year, students are informed of their total credits.

It is the responsibility of the student and parent to be aware of graduation requirements and the individual's status. Before graduation, a student must take care of any unpaid fees, lost books, or discipline requirements. The guidance office can be contacted for the student's current standing.

## **2.12 INOW Home Portal**

Muscle Shoals City Schools utilizes the INow Home Portal to keep parents informed and updated on his/her child's progress. ### **2.14 National Honor Society Membership Requirements**

The National Honor Society is an academic organization with membership based on four principles: scholarship, character, service, and leadership. The Muscle Shoals High School chapter uses the following criteria to determine membership eligibility. Nominations for membership are determined by scholastic performance. Students must have a ninety (90) average to begin the eligibility process. Students who meet that requirement are then notified and receive an activity/service form that they must complete and return to the organization sponsor by the indicated date. The form allows students to list leadership activities, service projects, and character qualifications that they want the Faculty Advisory Council to consider as the eligibility process continues. The Faculty Advisory Council will review eligibility forms, student discipline records, and other appropriate documentation, as well as faculty input to determine each student's eligibility. Faculty input is based on criteria established by the National Honor Society's Constitution and the Muscle Shoals High School Chapter's Constitution, and NHS guidelines concerning Leadership, Character and Service. Students who are eligible for membership must maintain a ninety (90) average and continue to adhere to guidelines regarding character, service, and leadership in order to retain their membership. Should a student fail to follow established guidelines, he or she will be notified with regard to his or her dismissal. It is the responsibility of members to be familiar with guidelines regarding service, scholarship, leadership, and character. Current members will be evaluated periodically based upon academic records, student discipline records and other appropriate documentation to ensure adherence to NHS guidelines and criteria for maintenance of membership. A copy of the National Honor Society Handbook and By-Laws is available for review in the reference area of the MSHS media center.

### **2.15 Make-Up Work**

The faculty of Muscle Shoals High School recognizes the importance of a student accepting responsibility for his or her education. Therefore, it will be the responsibility of the STUDENT to contact EACH of his or her teachers to arrange for make-up work. If a student fails to comply with the policy, the student will receive a zero on ALL work missed. Again, ALL make-up work should be scheduled at the convenience of the teacher.

#### **Transfers from Non-Accredited Schools**

Consistent with the Administrative Code Rules of the State Board of Education, a student transferring to MUSCLE SHOALS HIGH SCHOOL from any school or school setting NOT accredited by an accrediting agency recognized by the State Board of Education will have credit for **elective** courses transferred without validation. The principal may use official school records, including curriculum, progress reports, report cards, transcripts, exam grades, and/or standardized test results, to determine placement and award credit for previous course work. Additional placement testing may be required by the principal.

#### **Transfers from Accredited Schools**

Consistent with the Administrative Code Rules of the State Board of Education, "a student transferring to MUSCLE SHOALS HIGH SCHOOL from a public or non-public school accredited by an accrediting agency recognized by the State Board of Education will have **all credits and current class/grade placement** accepted without validation upon the receipt of an official transcript(s)."

In the event a student transfers from a school that operates on a different academic schedule than MUSCLE SHOALS HIGH SCHOOL and credit has yet to be awarded, the principal may use official school records, including curriculum, progress reports, report cards, transcripts, exam grades, and/or standardized test results, to determine placement and award credit for previous course work

### **2.26a Transfer Student Grade Conversion (Board Policy 7.11.2b)**

Where letter grades are present on a candidate's transcript from a previously attended school, the candidate must have the respective school(s) submit the grades in numerical form. If school officials of the school the student previously attended cannot or will not convert the letter grades to numerical grades, the letter grades will be converted to numerical grades as follows:

A+ 99	B+ 89	C+ 79	D+ 69	F 55
A 95	B 85	C 75	D 65	
A- 90	B- 80	C- 70	D- 60	

### **2.27 Withdrawals**

The student will see a guidance counselor on the day he or she plans to withdraw. The Alabama Transfer Slip will be filled out at this time. A student should have this form if going to some other school in the State of Alabama. If a student is leaving school permanently, this information will be forwarded to the State Department of Motor Vehicle. The student's license may be suspended. New students will be enrolled temporarily until an official transcript is received from his or her former school.

If a student withdraws from Muscle Shoals High School as a dropout, is expelled, or accumulates more than ten consecutive or fifteen cumulative unexcused absences during a single semester, the Department of Public Safety may be notified and the student's license will be suspended. This is in accordance with Alabama Code 16-28-40.

## **3.0 Attendance**

Alabama law requires that each child between the ages of 6 and 17 attend school. Parents/guardians are required to ensure that students under their care or custody attend school regularly. Students who do not meet the minimum number of days of attendance due to absences may receive an F due to non-attendance.

The Muscle Shoals Board of Education believes the fundamental right to attend public schools places upon students the accompanying responsibility to be faithful in attendance. Regular attendance is assumed to be essential for a student's successful progress in the instructional program.

### **3.1 Absences, Excused.**

In accordance with Alabama state law, only the following absences shall be considered excused absences, provided that, in each instance, parental confirmation has been received stating the reason(s) for the absence(s):

1. Illness;
2. Inclement weather which would be dangerous to the life or health of the pupil if he attended school;
3. Legal quarantine;
4. Death in the immediate family;
5. An emergency condition as determined by the superintendent or principal;
6. Permission of the principal and consent of the parent. (This permission must be granted PRIOR to the student's absence.)

When a student returns to school after being absent, he or she shall bring a WRITTEN statement from his or her parent or guardian with an explanation of the reason for the absence and the date of the absence. The student should present this note to the principal or his designee in the school office. **If this written explanation for each respective absence is not brought within three (3) school days after a student returns to school, the absence(s) is/are marked UNEXCUSED.** ALL WRITTEN NOTES FROM PARENTS WILL BE KEPT ON FILE IN THE PRINCIPAL'S OFFICE. The note should include the student's first and last name, grade, date of absence, reason for absence, and parent's signature. Excused absences based on parent-written notes may not exceed a total of five (5) notes per semester. Absences in excess of 5 absences in a semester require a physician's note or medical order.

### **3.2 Absences, Unexcused.**

Unexcused absences include but are not necessarily limited to the following: work, poverty, truancy, and parental neglect.

Truancy is the habitual and unlawful absence from school. In accordance with the Alabama school law, the parent(s) and/or legal guardian is responsible for REQUIRING any student under his/her control or charge and is under 17 years of age to attend school regularly except for legal absences as defined by the law and by the Alabama State Board of Education within its administrative rules and regulations. If a student under the age of 17 years becomes truant, the parent or legal guardian of said student may be guilty of a misdemeanor and subject to legal action.

- No earlier than on the 7<sup>th</sup> unexcused absence, the school attendance officer will formally file truancy charges against the child and/or parent or guardian if appropriate.

If the parent or legal guardian files a written statement that he or she is unable to control said student, the student may then be subject to action by the juvenile court.

Students may not leave school between classes or during any class without permission from the office. A student will be considered truant/unexcused if he/she leaves school without permission, comes to school but does not attend classes, leaves campus without the permission of a school official, or obtains permission to go to a certain place but does not report to that place. Students who are found in violation of these rules will suffer the loss of certain privileges and may be subject to suspension or court action.

### **3.3 Absences, School Participation**

Students who are away from school due to participation in school sponsored activities shall be marked PRESENT and will be expected to make-up schoolwork missed. (The same rule for making up work applies here as to those who have been absent due to illness.)

### **3.4 Check Ins & Outs**

Any student checking into school should bring a note of explanation at the time of the check-in or within three days thereafter to be filed in the principal's office. An admission pass will be given to the student and should be presented to the teacher upon entering the classroom. **Check-outs should be kept to a minimum. A student will be allowed to check out a total of five (5) times a semester by calling his or her parent or guardian. After the fifth (5<sup>th</sup>) check out, a PARENT MUST come to the school to check a student out.** If a student needs to check-out, the office staff MUST talk with a parent or guardian. ONLY A PARENT or GUARDIAN CAN GIVE A STUDENT PERMISSION TO CHECK-OUT OF SCHOOL. Students must sign the check-out card before leaving school. Students may not check-out of school and remain on the school campus. An unexcused check-in during 1<sup>st</sup> block will be counted as tardy to school and may lead to a Saturday School assignment.

### **3.5 Excessive Absenteeism and the Attendance Committee**

Students at Muscle Shoals High School may not be absent more than nine days in any class for which they are given credit. This requirement may be waived in the event of serious illness, accident, or other unusual circumstances at the discretion of the **school attendance committee**. The **school attendance committee** shall consist of the principal, counselors, and selected teachers. The committee shall meet the last week of the first semester and also as needed during the last two weeks of school to examine appropriate documents concerning student absences. Students whose absences qualify for an exception to policy will be so notified. Students who will fail because of violation of the policy will be given an opportunity to meet with the committee and provide information to support an exception to the policy. Within five school days after the meeting, the committee shall communicate in writing the decision to the student and/or parents. For circumstances of excessive absenteeism, the attendance committee will accept a maximum of five (5) parent notes. The student will be required to present medical documentation or a physician's note verifying any serious illness or accident. The committee may also request official verification of any unusual circumstances that have led to excessive absences.

### **3.6 Pre-Approved Absences**

If parents or guardians must take students out of school for any type of trip (business, vacation, college visits, etc.), a written request should be made to the principal **PRIOR** to the student's absence. If the principal approves such a trip, then any work missed may be **DUE** upon the student's first day back to school. Absences of this nature count against the exemption of exams. If emergencies should occur in a family making it necessary to keep a student out of school, the parent should call the school and notify the principal.

### **3.7 Skipping School/Class**

Students who participate in organized "Skip Days" will be considered unexcused. The school does not sanction such events. Furthermore, students who are not where they are supposed to be (with permission from a school employee) will be considered "skipping" and may be suspended from school. In most cases, the penalty for "skipping on campus" (first offense) is 1 day of ISS and "skipping off campus" (first offense) is 3 days of ISS.

### **3.8 Tardiness**

A student is tardy **to school** when he/she fails to report "on time" to his/her 1<sup>st</sup> block class when the bell begins to ring to start the school day. When tardy **to school**, students should report to the assistant principal's office for the tardy to be documented and a tardy slip to be issued. An unexcused check-in during 1<sup>st</sup> block will be counted as tardy to school and may lead to a Saturday School assignment.

A student is tardy **to class** when he/she enters the classroom after the tardy bell BEGINS TO RING. To be counted “on time,” students should be seated and ready to begin class. If a student is more than twenty minutes late to class, he or she will be assigned an absence for that class.

1. Students are allowed three tardies to each class per semester.
  2. On the fourth tardy to any class, the student will be assigned to one day of Saturday School. Failure to attend Saturday School will result in one day of ISS the following week. Missing two Saturday School assignments will result in an automatic ISS assignment in lieu of Saturday School for future excessive tardiness.
  3. After the fifth tardy in the same class, students will be assigned ISS for each tardy.
- **IF A STUDENT MISSES MORE THAN TWENTY MINUTES OF A CLASS, HE OR SHE IS COUNTED ABSENT FOR THAT CLASS.**

# 5.0 General Information

## Miscellaneous

#### **5.1 LUNCH SCHEDULE**

For pricing information, see the Muscle Shoals City Schools website.

<u>Group</u>	<u>Time</u>
A	11:32 - 11:57 a.m.
B	12:02 - 12:26 p.m.
C	2:38 - 1:02 p.m.
D	1:07 - 1:32 p.m.

**5.2 Complaints and Grievances**

The process for appealing or grieving an administrative decision can be found in the MSCS Code of Conduct. Appeals must be filed **in writing** within seven (7) calendar days of an adverse decision. It is encouraged that an appeal begin at the lowest level of authority/ability to address the concern before initiating an appeal or grievance with the Principal (Level One), Assistant Superintendent (Level Two), Superintendent (Level Three), or the Muscle Shoals Board of Education (Level Four).

**5.3 Dismissals**

Notification of early dismissal of school shall be announced in advance when possible. Please listen for announcements via radio and television media. The emergency telephone call system will also be utilized when possible. Students are to leave the school grounds upon dismissal within a reasonable time.

School beginning times have been staggered for many years with the lower grades commencing before the middle and high school grades. There were several factors for this decision: (1) to reduce traffic congestion that would occur if all schools began at the same time, (2) to assist families who had children at more than one school to help them navigate through the traffic so that each child could be at their appropriate school on time, and (3) to assist families who may have a child of driving that would be responsible for transporting a younger sibling to school before they arrived at the high school.

Muscle Shoals City Schools will implement a late arrival procedure that will incorporate our current staggered schedule. Future announcements concerning late arrival to school will state the length of the delay. For example, the message might state that there will be a two-hour school delay. The schools would then begin at the time based on the current start times shown below. An announcement that Muscle Shoals City Schools will delay for two hours would mean that Howell Graves, Highland Park and Webster would commence at 9:45; McBride at 9:55; Muscle Shoals Middle School at 10:00; and Muscle Shoals High School & Muscle Shoals Center for Technology at 10:07 a.m.

**MSCS School Hours**

Howell Graves	7:35-2:20
Highland Park & Webster	7:45-2:30
McBride Elementary	7:55-2:45
Muscle Shoals Middle	8:00-3:00
Muscle Shoals High & CFT	8:07-3:15

Early dismissal is a more complicated issue. The reason for an early dismissal is again usually weather related. Circumstances could exist that would necessitate schools dismissing as quickly as possible before extreme weather conditions reach our area. Due to this fact, Muscle Shoals City Schools will continue to follow the current procedure of dismissing at one announced time (Example – Muscle Shoals city Schools will dismiss at 1:00 p.m.). Please know the safety of your children is our greatest priority, and students will be supervised until you are able to arrive at school.

## **7.4 HEALTH SERVICES**

The Colbert County Health Department cooperates with schools in providing immunization services. All students must have a Certificate of Immunization before enrollment in school. It shall be the responsibility of school personnel to notify the parent immediately when a student becomes ill or is injured. Other than giving emergency first aid when it is required, school personnel shall not give any medication, including aspirin or other “over-the-counter” medications. When the taking of medication is necessary for a student to be able to attend school, a parent may request school personnel to give over-the-counter medication or prescribed medicine based upon written instructions from the physician. The parent shall make this request by obtaining the necessary authorization form at registration or in the school office. Such medication shall be taken to school in a properly labeled container which shows the student’s name, name of the medication, the prescribed dosage, the child’s doctor, and any potential side effects or precautions. (Ref: Hoover City Board of Education Policy). **A student may not carry any prescription or “over-the-counter” medications without the approval of an administrator. Any student who violates this policy shall be subject to disciplinary action including expulsion.**

## **7.5 INTERROGATIONS BY LAW ENFORCEMENT (NON-SCHOOL RELATED MATTERS)**

A student enrolled in the school district shall not be interrogated by any law enforcement authority on public school property during regular school hours without the knowledge of the

school's principal or his or her designee. All interrogations shall be conducted in private with an official school representative (principal or his or her designated representative) present. Every reasonable effort shall be made to have a parent or guardian present. In those instances where a parent cannot be present within a reasonable period of time, school officials must allow interviews by law enforcement officials to proceed in the absence of parent or guardian. Other non-school persons shall not interview students at school without administrative approval.

#### **7.6 LOCKER USAGE**

Each student is asked to keep his or her locker fastened securely at all times. No student should jam the locking mechanism in any way to prevent the locker from closing properly. A student should not share his or her locker combination with any other student. Lockers are NOT to be shared with other students. Lockers are the property of Muscle Shoals High School and may be opened for inspection. Students who bring backpacks to school must rent a locker in which to keep the backpack during the school day. The lockers in the high school building and those in the gym should never be left unlocked at ANY time. Lockers are provided for student convenience, and the student-- not the school-- is responsible for items lost or stolen from them including cell phones. Large sums of money and/or valuable items should not be brought to school.

#### **7.7 LOITERING ON SCHOOL GROUNDS\***

Any individual who is on a Muscle Shoals City school campus after school hours not attending a school function without expressed permission from authorized school personnel will be in violation of the city's loitering ordinance and is subject to police citation and/or school disciplinary action. See Muscle Shoals City Ordinance 13A-11-9.

#### **7.8 LUNCH**

Students are encouraged to take advantage of the nutritious meals offered in the school cafeteria. Breakfast, lunch and a variety of snacks and beverages are available. Daily menu options are posted each month on the school website.

All students are issued a private meal account number. Please keep enough money in your student's meal account to cover meals and extras. There is no charging in the cafeteria at MSHS **unless otherwise approved by the principal**. Parents are asked to pre-pay for meals and a la carte items by sending cash or checks to school, or by depositing payment online using our secure Parent Account Management System, called PayPAMS. There is no cost to have an account, however there is a small fee to make an online deposit. With a PayPAMS account, parents can view online what their student has purchased in the cafeteria and receive a text or email reminder when more money is needed in the account. **To apply for Free and Reduced Price Meals, go to <https://paypams.com/onlineapp/> to complete an online application.** New applications are needed every school year. Apply after July 1 for the upcoming school year. Paper applications are also available in the school office.

Foods and beverages from outside establishments or food companies may not be brought into the school without prior approval from the principal. This includes canned or bottled soft drinks and foods in restaurant wrappers and bags. Foods from vendors other than the school cafeteria are not to be provided or sold to students while school meals are being served. This policy is in accordance with the State of Alabama Policy for Competitive Foods. Foods and beverages provided or sold to students during the school day should meet the USDA Smart Snack definition, with the exception of exempt fundraisers approved by the principal.

#### **7.9 MEDICATION GUIDELINES**

The medication administration procedures for Muscle Shoals City Schools have been written to comply with the recommendations from the State Department of Education. Please read all of the below information carefully. If your child will be taking medication during school hours, you may pick up the necessary form in the school office.

1. All medication for children in grades K-12, (prescription / nonprescription), should be brought into the school office by an adult. Students should not have medication in their possession. EXCEPTION: Students who must carry asthma inhalers as prescribed by a physician.
2. Controlled medications, such as Ritalin, will be counted by office personnel when brought into the office.
3. All medication, (prescription and nonprescription), must have a medication release form completed and on file in the office prior to medication administration by school personnel. The form must be signed by a parent or guardian for nonprescription and by the physician for prescription medication.
4. The medication release form must indicate the reason the student will be taking the medication. He or she will only be given the medication for the reason indicated.
5. Medications prescribed to be given once daily should be given at home, twice daily should be given at home before school and at night, three times daily should be given at home before school, after returning home from school and at night. One exception to this schedule involves students enrolled in after school care. Any other special considerations should be brought to the attention of the registered nurse.
6. A new medication release form must be completed anytime there is a medication change. To assist in this matter, information may be faxed to and from the doctor's office and the school.
7. A medication release form must be signed by a physician prior to the administration of prescription medication.
8. All prescription medication must be in the original pharmacy-labeled container. The information on the bottle must have the same information as the medication release form. Most pharmacists will give an extra bottle for home use if asked.
9. All nonprescription medication must be in the original container with the student's name written on the outside of the container. (Medication sent in any other type of container will not be administered).
10. A student may self-administer prescription medication (such as an asthma inhaler, epi-pen, etc.) when directed by a licensed prescriber. The prescriber must indicate in writing that the student may carry the medication and that self-administration of medication is permitted with his/her signature.
11. Unused medication should be picked up by an adult for all students in grades K-12. Medication that has not been picked up will be disposed of by school personnel the day after school ends for summer break. (We will not keep medication through the summer).
12. Students with potential life threatening illnesses/conditions, (asthma, seizures, severe allergic reactions, hemophilia, diabetes, cardiac conditions, or any other condition the doctor recognizes as life threatening) should have an emergency plan on file at the school. Parent should notify the student's teacher if an emergency plan is needed. The teacher will notify the school nurse. The school nurse will be involved in the development of the emergency plan.

NOTE: Parents, please notify your child's school if an emergency plan is needed.

#### **7.10 REPORTING OF THREATS**

#### **7.11 RESTRAINT BY SCHOOL EMPLOYEES**

Students that try to injure themselves, school employees, or anyone else may be restrained by reasonable physical force by school employees. Students injuring other students at school are subject to disciplinary action at school and to damages under civil law and penalties under criminal law. Law enforcement agencies may be called to assist school officials with unruly or uncooperative students. Parents/guardians will be contacted if the student is removed from campus by a law enforcement agency.

Any student who violates this policy shall be subject to suspension or expulsion. The Muscle Shoals Board of Education has no desire to place undue restriction upon the use of certain items of dress and grooming. However, if the items are used as weapons, they will, consequently, be defined as such.

The Superintendent and Board authorizes the Principal or his/her designee to automatically suspend out-of-school (OSS), pending a board hearing, any student found in possession of a dangerous weapon. The student may also be referred to the local law enforcement agency.

### **8.6 ELIGIBILITY REQUIREMENTS FOR ATHLETICS AND BAND**

All students who participate in interscholastic athletics must abide by all the rules and regulations of the Alabama High School Athletic Association as found in the AHSAA Handbook. Section 9 of the Handbook includes the following:

Section 9: Academic Rule

#### **Requirements:**

1. Students entering the 10<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup> grades must have passed during the last two semesters in attendance and summer school, if applicable, at least six new Carnegie units with a minimum composite numerical average of 70 in those six units.
  - a. Four core curriculum courses must be included in those units passed and averaged. (English, mathematics, science and social studies are core curriculum courses. Any combination of these courses is accepted.)
  - b. Any student that accumulates more than four units of core courses per year may earn less than the required four core courses during the next school year and be eligible as long as the student remains on track for graduation with his or her class.
2. Students entering the 8<sup>th</sup> and 9<sup>th</sup> grades must have passed during the last two semesters in attendance and summer school, if applicable, at least five new subjects with a minimum composite numerical average of 70 in those five subjects.
3. Students entering the 7<sup>th</sup> grade for the first time are eligible.

Note: A new unit is one that has not been previously passed. A semester is half of a school year as defined by the local school system.

**Guidelines:**

1. Eligibility may be determined before the start of each new school year or at the beginning of the second semester. A student who is academically eligible at the beginning of the school year remains eligible for the remainder of that school year so far as grades are concerned. A student who regains eligibility at the beginning of the second semester remains eligible for the remainder of the second semester so far as grades are concerned.
2. Students declared ineligible at the beginning of a school year may regain their eligibility at the end of the first semester (or trimester) by meeting the academic requirements listed above during their last two semesters (or three trimesters) in attendance and summer school, if applicable. The regained eligibility of any student may be determined any time after the end of the first semester (or trimester), but all course requirements used to determine the eligibility must be completed no later than the fifth day of the second semester (or second trimester). A student who regains eligibility at the end of the first trimester may not participate in interscholastic athletics until eighty-eight days of the school year have been completed.
3. Only one unit (or subject) of physical education per year may be counted.
4. A maximum of two units (or subjects) earned in an approved summer school may be counted. If a unit (or subject) is repeated in summer school, the higher numerical grade for that unit (or subject) may be used to compute the composite grade average.
5. An accredited correspondence course may be accepted by a school system but must be completed before Sept. 1.
6. For eligibility purposes, no special recitation, extra work, make-up work, tests, review, etc., will be given for the purpose of making a student eligible.
7. To be eligible, all students (including repeaters and hold-backs) must be enrolled in a specified number of new units at the school they represent.
  - (a) Ninth, 10<sup>th</sup> and the 11<sup>th</sup> graders must be carrying at least six new units (three per semester on a 4x4 block schedule).
  - (b) Seniors who are on track for graduation with more than the required number of units earned must be carrying at least four units for the school year (two units per semester on a 4x4 block schedule).
  - (c) Seventh and 8<sup>th</sup> graders must be carrying at least five new subjects.
8. The eligibility of a student who has attended another school during the preceding year must be established by a transcript from that school before the student is permitted to participate at the new school.

**8.7 EXTRACURRICULAR ACTIVITIES NON-PARTICIPATION RULE**

Students MUST be counted **present for the day** in order to participate in any school sponsored extra-curricular activity which may occur after school hours.

**8.8 FIELD TRIP INFORMATION**

Each student who takes part in a field trip must complete a permission slip, have it signed by a parent or guardian, and return it PRIOR to the trip. This WRITTEN permission must be in hand prior to departure. Verbal permission will NOT be acceptable. School rules in regard to dress and conduct apply while on field trips. Assignments missed due to field trips are to be made up in accordance with the make-up policy for that class. Permission to go on school field trips will be allowed or disallowed based upon a student's grades and/or attendance. Students who are academically or behaviorally at risk may be excluded from school related activities.

**8.9 SENIOR ACTIVITIES**

Participation in the Honor Day ceremony is required in order for students to participate in the Graduation exercise (exceptions may be made with approval from the principal **for early graduates** whose college schedules may conflict with the Honor Day program). Additionally, all members of the Senior Class are required to take part in two rehearsals

prior to graduation. Rehearsal for Senior Honor Day will be held at Grace Life Church at 1:00 p.m. Thursday, May 17, 2018. Honor Day will be on Friday, May 18, 2018.

The final rehearsal prior to graduation will be held at James F. Moore Stadium at 1:00 p.m. on Thursday, May 24, 2018. Graduation exercises will be on Thursday, May 24, 2018 at 7:30 p.m.

**APPROPRIATE DRESS:**

Male students should wear a white shirt, dark tie, dark dress pants and dark shoes. (No jeans, boots, tennis shoes, or sandals)

Female students should wear dark dress shoes and dark dresses.

Violation of this policy will result in forfeiture of the privilege to participate in senior activities.

**8.10 STUDENT ACTIVITIES**

No academic time will be lost to prepare for or conduct student activities without the approval of the principal. Students should not plan to work on homecoming projects, dances, coronation, or the prom during school hours. Plans should be made well in advance to prevent the need for missing instructional time.

**8.11 STUDENT COUNCIL**

Each year in the election, two new Student Council members are elected to represent grades 9-12 for the coming year. Any student elected to membership in the Student Council may remain a member as long as he or she desires and remains active. Anyone desiring to run for membership in the Student Council must meet all qualifications listed in the general election rules. Should a position become available during the year due to a member moving or becoming inactive, an active member of the same grade level will fill the position. The members of the Student Council will elect the person to fill the position. Student Council members (officers and representatives) must attend the Student Council meetings every Tuesday morning at 7:40 a.m. If a Student Council member misses three meetings during a semester, with the absences being unexcused, he or she will be removed from the council.
